The Lean Bingo Game

The Lean Bingo Game

Moderator Instructions

Target:

With the Lean Bingo game you can keep the attention of your trainees during your training.
The participants follow your lessons in a focused and enthusiastic manner: because whoever bingos first wins!

Game Instruction:

Handout the Lean Bingo Template to your participants at the beginning of your training.
As soon as one of the terms on the card is used during your training, the participants can circle it. Once a row has been completed, **bingo may be called**.

Use the prepared terms or replace them with your own.

Required Equipment:
